AFRICA

Introducing PL Africa

Uniting Morocco & Tunisia to
Support Africa's Healthcare Future.

Local Expertise. Regional Impact.

Introduction of PLG Africa

PLG is proud to introduce PLG Africa, uniting our Morocco and Tunisia hubs under a single identity to strengthen support across the continent's rapidly evolving life sciences landscape. This integration enhances regionalized services, deepens collaboration between local experts, and ensures seamless delivery of global-quality solutions tailored to Africa's regulatory and market needs. Double Gold for PLG!

Pharma IT and Intexo achieve the EcoVadis Gold Medal, joining the top 5% of performers in sustainability worldwide.

Pharma IT & Intexo Earn EcoVadis Gold

Pharma IT and Intexo, both PLG companies, have earned EcoVadis recognition, reflecting strong performance across key sustainability criteria. For Pharma IT, this marks the second consecutive Gold Medal, placing the team among top global performers. Together, these achievements reinforce PLG's shared commitment to responsible, ethical, and future-ready practices and highlight growing group-wide momentum in ESG performance.

At PLG, sustainability is central to how we operate, partner, and create long-term value. Initiatives like **Days for the Planet**, a year-round program to raise awareness and turn sustainability commitments into action, continue to embed responsible practices across our operations. Events & Community Highlights

Where we've been and what's next: connecting across the industry.

Over the past year, our teams engaged with the global life sciences community at more than 25 leading industry events across 10 countries and 17 cities. These interactions helped foster collaboration and advance conversations that matter. As we enter 2026, we look forward to continuing these exchanges and creating new opportunities to learn together.

Recent Events:

- ISPE Pharma 4.0 Conference 2025 – Barcelona, ES (9-10 December) [Learn More](#)
- ISPOR Italy 2025 – Rome, IT (10-11 December) [Learn More](#)
- Bio Partnering JPM Week 2026 – San Francisco, CA (11–16 January) [Learn More](#)
- Biotech Showcase 2025 – San Francisco, CA (12–14 January) [Learn More](#)

Thank You

Looking ahead together.

Through these initiatives, we aim to make expertise accessible and help the life sciences community stay informed, compliant, and prepared for what's next. As the year unfolds, we look forward to continued collaboration, navigating new challenges, and identifying opportunities that create meaningful impact for patients and the life sciences community.

From all of us at PLG, we wish you a successful year ahead.

Best regards,

The ProductLife Group Team

Would you like to explore how PLG can support your specific challenges? Our teams are always available to discuss your needs across regulatory, clinical and market access pathways.
